As there were new members present Spana gave a synopsis on the Kayak Event. The Event will be launched at 9am Saturday July 11th at Alnmouth beach Spana is hoping to be in the water from 9 until midday. There will be a lunch break and then he will recommence at 1pm until 4pm. There will be camping in the evening between points on the route.

Most preparations have been finalised apart from a Press Release. Neil said he would send a Press Release out on Friday. Diane and Anna said they would network this event to the Hartlepool Green Party. Nicki will join the kayaking on Sunday. Spana told Neil and Annette that their role was transport back up and acquiring provisions for those partaking in the event.

Sunday 12th July Tynemouth Festival <http://www.visitnorthtyneside.com/> is being held.

Tuesday 14th there will be a Launch Frack Free Hartlepool meeting at Hartlepool Football Club from 5pm until 7pm.

The photo shoot was discussed. Annette had contacted Nicholas and he had assured her he would send the finished photographs by the end of the week Annette said she would contact him again on Friday.

Annette asked the group if they would be interested in hiring a mini bus to attend a demonstration in Manchester at The Tory Party Conference. Whitby Greens had also showed an interest and FFC could share transport.

Neil outlined brief details on the current situation in Kirby Misperton and Third Energy. A planning application had been resubmitted.

There is to be a Planning meeting for Ebberston Injection well at 9.30am at Helmsley Council Offices on 23rd July 2015. All are encouraged to attend. Neil is to add this date to the website.

An alternative venue was discussed. Raphael suggested The Earthbeat Centre.

<http://www.earthbeatcentre.co.uk/> Annette said she would make enquiries.

The present venue would still be used until the venue change had been discussed at the August meeting. The Hop and Vine is unsuitable as there is always music playing and not the most ideal environment to hold a meeting. Also, as the tourism season approaches this venue will become unsuitable.

AOB.

Spana told the group that Pete would be holding fort at the launch meeting at the Football club in Hartlepool on Tuesday 14th and deputising in case Spana was delayed.

The next FrackfreeCleveland meeting will be held on 13th August 2015 at Hop and Vine Wine bar,
