

## Minutes for FrackfreeCleveland 14<sup>th</sup> May 2015

Hop and Grapes, Saltburn-by-The -Sea.

7pm.

Those present:

Jay, Maggie, Frank, Neil, Annette, Spana, Lynn.

- 1) Redcar and Cleveland Petition hand in was discussed. Jay is to contact Anne Turleys Personal Assistant as she has connections and liaise with her. As time is of the essence and the term is to end soon the group decided to complete the arrangements on line. Jay agreed to do outreach. Local Press to be contacted and a Press Release to be issued.
- 2) This agenda item for the Planning application of Ebberston Moor Injection Well was not applicable as the meeting had been deferred. Neil is to investigate the up and coming planning application for Kirby Misperton. TTIP is still under discussion in the U.S. Despite a bogus report on Facebook.
- 3) 30<sup>th</sup> May 2015 U.K. Uncut Demonstration. This was mooted to the group. It was decided that a group effort was not viable, however, if those wished they would make their own way there.
- 4) 20<sup>th</sup> June 2015, although there was a stronger group support as it was felt this was going to be a large demonstration a mini bus would not be necessary and group members would make their own way there by public transport.
- 5) Legal Observer Training at LARC in Whitechapel was discussed however, geographically it was deemed too far away to travel. It would be good to decentralise these training days. Also, it is not a pressing issue at present but maybe in the future it would be necessary to ask Seeds of Change to give a workshop on Legal Observers.
- 6) Discussion of Election Results was deferred until after AOB as there would be time at the end of the meeting for a longer discussion.

AOB.

Earth First demo was discussed. Crawberry Hill on 17<sup>th</sup> May 2015. The group gave consensual agreement that expenses would be paid on receipt of petrol bill. This is a good networking opportunity.

Spana discussed the kayaking plan. The stunt is to be for 4 days all details are yet to be finalised. The group decided that the outreach materials should have FFC written on them and the email address of N.U.N.E. as a contact.

Various other publicity stunts were discussed. These are for the groups eyes only.  
Jay is to contact a friend who is a professional photographer.

Ended 8.35pm.

Discussion on Scottish election results. It was stated that there was a moritorium on Fracking in Scotland at this present moment in time. A conversation ensued on the Election with lots of interesting discussion. A positive outlook is to be encouraged and a What Next topic to take us forward into a new phase of U.C.G. protest against the 2<sup>nd</sup> term of a Tory Government.

The next meeting is 11.6.2015.

Venue: O'Gradys Redcar. in downstairs room.
