

## FRACK FREE CLEVELAND.

VENUE: HOP AND GRAPES. SALTBURN-BY-THE-SALTBURN.

THOSE PRESENT: Spana, Frank, Maggie, Neil, Jay, Annette, Lynne.

DATE: 9<sup>th</sup> October 2014.

- 1) TTIPS Day of Action Saturday 11<sup>th</sup> October 2014 was discussed. There are various venues to leaflet in our local area. If anyone was interested in attending local venues then they can go to 38 degrees or WDM website.
- 2) Banner Meeting 12<sup>th</sup> October is cancelled.
- 3) <http://coalaction.org.uk/> are organizing demos around the country. Check out their website to keep the group up to date on developments.
- 4) Plans were made for the future visit of extreme energy personnel. Neil is to write a synopsis of the meeting for a press release to go out the following day. He will forward this to Jay. Neil is to check website for Frack Off e mails. Then, Neil will either follow up FO suggestions or make revisions. It was decided that Outreaching at venue would be effective and worthwhile.
- 5) A future event to leaflet and inform the general public of UCG was discussed with possible targets discussed .
- 6) Redcar Car Boot Sale is a possible venue. Weather permitting to take place 19<sup>th</sup> October 2014. Spana is to find out about this and book. Neil, Annette and Lynne are able to help out.
- 7) Expenses were discussed and resolved in one case.
- 8) Problems with setting up Co-op Bank Account. Frank is to look into Nationwide if it is able to take on a Fracking Group. It seems to tick the boxes on other criteria.
- 9) Neil is to make QR's for You Tube video which Spana made.
- 10) Neil is to resume his role as webmaster now he has returned from vacation.
- 11) The group phone is to be shared on a monthly basis. Annette has it for October until the next meeting.
- 12) Spana is networking with FOE and Green Party Councillors. A piece to be written in Thornaby Pride. Discuss this further at next meeting.
- 13) Jay is to find out the name of the company involved cleaning fracking water in Billingham then planning permission can be discovered.
- 14) Fracking in Ebberston was discussed and how FFC were only playing a supportive role with FFYorkshire. Our group can share our information using social media and attend demos if it was necessary.
